REIKI MONTHLY NEWSLETTER

AUGUST LOVE TO EVERYONE!

I hope you are enjoying your summer and staying cool, calm, and collected. This month is full of fun loving get togethers for us all to gather, give love and heal. I have a new class as well as a new get together for those who are interested in becoming a teacher and don't forget our Full-Day Practitioner Retreat.

Last month's Designing Opulence Class was fantastic, as we were able to actually step into one's timeline and destroy the blocks put up around wealth, opulence, magnificence and even love. As a result, a few people have begun seeing a flow of new clients, a new flow of money and a new flow of love. I will offer it again soon, as King George had a great time helping with this class.

Manifesting your Perfect Mate – August 11th 10:00 a.m.

We will be Creating, Manifesting and Exploring from a Space of Love, Beauty and Creativity.

Within this fun-loving manifestation space, we will begin cultivating your wishes, your desires, and your needs for what you want in a mate and allowing for the universe to begin working in your favor. We will be working deeply within a fun-loving, allowing, and non-judgment, non-drastic choice space.

Now a Mate doesn't have to be a love interest, it could be a new group of friends, a business partner, a Co-living partner, a companion, an assistant. Whomever it is, you are seeking, we can put together a list of attributes you require and allow you to begin manifesting your perfect mate or partner.

Reiki Teacher Training Meeting Tuesday August 21st, my house 6:30 p.m.

There are 4 people interested in becoming a Reiki Teacher, so I thought I would add it on here to see if anyone else is interested. If you are moved to teach, show up and find out what it is all about.

Full-Day Practitioner Retreat August 18th, my house 10:00 a.m. to 5:00 p.m.

A full-day Love Retreat for all Practitioners. I wish to flow back all of the love I have received from each of you with the deepest gratitude for your support.

We will be doing meditation, workshop, healings, eating, more healings, and just getting together for community and a day of sharing, healing, and relaxation. Let me know if you are interested and if you can bring a table. This will be a potluck.
