REIKI MONTHLY NEWSLETTER

NOVEMBER BLESSING TO EVERYONE!

I wish each of you Grace, Gratitude and Generosity, this upcoming month. As we wind down the year and begin reflecting back on our life, I hope that each of you will notice how much these three Blessings are so very existent in our lives.

Each and every time we get together each of these Blessings are present within our group. I am so grateful for the love and the joy we all get to share in honoring each other and assisting each other on our journeys in our lives.

May this month of Gratitude bring in so much light and love into your homes as you get to enjoy your time with family and loved ones.

I will be in Dubai for Thanksgiving so I will wish you all the best for this holiday of gratitude now. I will send pictures for sure.

Blessed Be!

NOVEMBER WORKSHOP: Finding Your Hidden Magic November 10th at 10:00 a.m.

What we'll do

Finding your magnificence or your sacred qualities and becoming a sacred being.

What is it that you bring to this earthly consciousness? Do you know? Do you wish to know?

As a Teacher, it is my duty on this earth to assist YOU in find what YOUR actual magic, your gifts to the world or your medicine is in a traditional form and a traditional way spiritually.

My Magic or my Medicine is working from a deep place within my own soul space where I can simply see into your deep crevasse of your soul space and take a look at first, what has masked your work and then simply ease out the gifts you have hidden from the world unintentionally.

We hide our gift because of a few things. Fear of the unknown. Not knowing how to use our gifts and really not even knowing we have anything to bring to the table.

As a Seer I have the ability to take a look at your space, uncover the hidden gems you hold and keep hidden and simply Finding your Hidden Magic and your Medicine and easily bring them forth in your space for you to see and begin to dust off and become familiar with. Each and every person her on earth has magic they carry, but some have no sense of it. One of the gifts as a Seer is to interpret one's entire space with my sight and their hidden magic sort of begins to shine like a hidden

golden nugget. That is how I interpret it. I see your space as a magnificent body of majestic universal magic. Just waiting to be discovered. Connecting with these sacred qualities allows you to become a natural and organic part of the divine flow of the Creator.

With the presence of your inner magnificence arising and a deepening with the support of the Creator seeping into all that you are, a greater experience of communication will manifest.

The more you focus upon expressing yourself, sharing your truth and communicating especially from the seat of your soul, the easier you will find your ascension process throughout 2018. You will also discover that you feel a greater sense of fulfilment, contentment, and certainty within your being, which will encourage you to trust in yourself, abilities and to move forth in your spiritual reality with greater speed. A deepening sense of peace may also manifest.

I work with healers of all types. And if you do not know if you have any gifts, or are not yet a natural or trained healer, come join us anyway, your journey can begin anywhere.
